

Dear Parishioner,

As you know, the addition in the school has been completed and Memorials are now available. These Memorials can be made either in memory of deceased loved ones, or as a gift from you or a member of your family.

Below are the various Memorials available together with the donation for each specific Memorial. If you are interested, please see Sharon in the Rectory Office. She will accept the designation for each Memorial together with the donation. The Memorials will be accepted on a first come, first serve basis! There will be a Tree of Life in the school with the names of donors of each of the Memorials inscribed on it.

Please pray for the success of our Memorials Phase pledges!

Thank you for your support and interest in your Parish!

Rev. James J. Brady
