Due to the increasing number of student athletes that are requiring administration of epinephrine, please complete the following form.

As the parent or guardian of _____ I will take full responsibility for supplying the epinephrine pre-filled single dose auto injector for my child. My child will carry the medication at all times while engaging in sport activities.

It is the parents/guardians responsibility to make sure the coaches are aware of the exact location of the epinephrine pre-filled auto injector (which section of duffle bag etc).

The parents/guardians will indemnify and hold harmless Saint Dominic School, Saint Dominic parish, employees, and agents from and against claims arising out of the administration or failure to administer epinephrine in a pre-filled auto injection to student/athlete.

Parents/guardians are strongly encouraged to attend practices/games if your child has an Epinephrine pre-filled auto injector.

I will supply my child with an epinephrine pre-filled auto injector to be carried at all times.
